WHAT IS THE WISCONSIN BASEBALL REPORT?

The Wisconsin Baseball Report was created and developed by high school coaches to provide players the opportunity to gain **national exposure** and **recognition**. We help student athletes to gain a scholarship by informing them on what they need to do in order to get recruited. We also promote youth, high school and college baseball in Wisconsin.

WHAT WE ARE ABOUT?

Every year student athletes from Wisconsin that should be playing college baseball get overlooked. How does this happen? College coaches did not know about them!

The mission of WBR is to provide a comprehensive report to college coaches and MLB scouts on Wisconsin baseball players. Our goal is to expose, promote, and market talented baseball players from Wisconsin that have the desire for a future in baseball.
